Service Information

CAT Stop Lists

Transperth's CAT buses offer you a free, fast and convenient means of travelling around the Perth CBD. Whether you are in the CBD for shopping or travelling to an appointment, our CAT services help to reduce the expenses associated with driving and parking in the city.

All CAT buses are colour coded for your convenience. Each bus stop includes an audio recording of service times. Simply press the information button at the stop to find out when the next bus is due to arrive.

Travel for free on all Transperth services located within the Free Transit Zone (FTZ) for buses and the SmartRider Free Transit Zone (SFTZ) for trains. When travelling on the train within the SFTZ, you must tag on and off using a SmartRider.

The FTZ boundaries are shown on the map. The SFTZ train boundaries are City West on the Fremantle Line, Claisebrook on the Midland and Armadale/Thornlie Lines, and the Elizabeth Quay on the Joondalup and Mandurah Lines.

Free travel is only permitted within the FTZ or SFTZ with a SmartRider for train services. If you are travelling outside this zone normal fares apply.
