About the Perth CAT Services

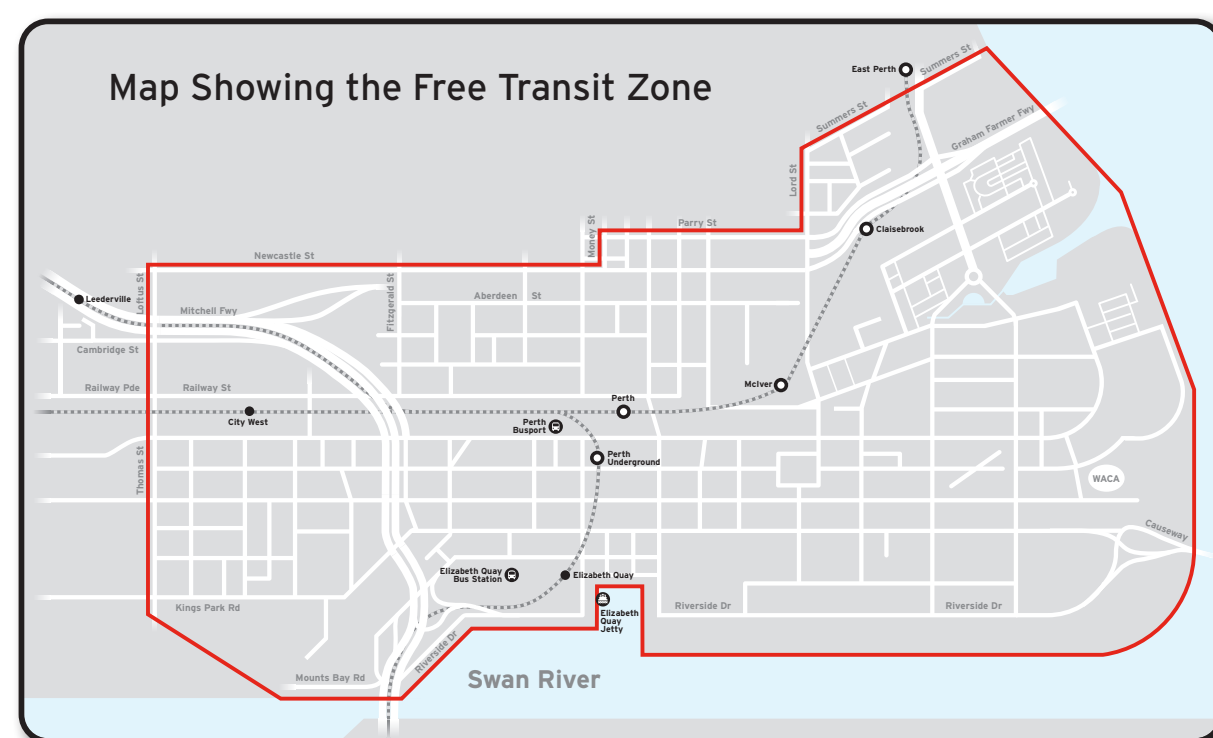

Transperth's CAT buses offer you a free, fast and convenient means of travelling around the Perth CBD. Whether you are in the CBD for shopping or travelling to an appointment, our CAT services help to reduce the expenses associated with driving and parking in the city.

Travel for free on all Transperth services located within the Free Transit Zone (FTZ) for buses and the SmartRider Free Transit Zone (SFTZ) for trains.

When travelling on the train within the SFTZ, you must tag on and off using a SmartRider. The SFTZ train boundaries are City West Station on the Fremantle Line, Claisebrook Station on the Midland and Armadale/Thornlie Lines, and Elizabeth Quay Station on the Joondalup and Mandurah Lines.

Free travel is only permitted within the FTZ or SFTZ with a SmartRider for train services. If you are travelling outside this zone normal fares apply.

Let us show you around.

Transperth is Perth's public transport network, offering services to get you around with ease. Explore Perth by road, rail or river, on one of our many bus, train or ferry services that connect our city.

Ticket Options

When you're travelling outside of the central area, tickets are required to ride our services. A SmartRider card is the most convenient way to pay for travel, but cash tickets are also available for purchase.
